Dear: _____

Westmount School is committed to providing an educational program, which meets your child's needs. In order to establish a student's strengths and areas of greater need several informal assessments are given. These include Diagnostic Reading Inventories, Word Recognition Lists, Written Samples, Graded Spelling Lists, Math Fluency Tests, etc. The results will be shared with you and your child's teacher so that suitable modifications can be developed for your child.

Assessment will be completed for _____ in the following areas:

_____ prereading skills	_____ math
_____ reading	_____ perceptual skills
_____ spelling	_____ motor skills
_____ writing	

If you have any inquiries please contact me at the school (934-3041). Your signature and return of this letter will indicate that your permission is granted for the assessment as outlined above.

Sincerely yours,

Janet Barkauskas – Special Ed. Teacher

Dan Ferguson - Principal
