

# Where in the World is Westie?

## Westie travelled with...

Mrs. Bigras to Europe!

The view from the plane flying from Amsterdam to Stockholm

This was a really neat walk in Stockholm, old buildings on one side and boats on the other

It was salvaged in 1461. It had 64 guns. This is a model of it

We walked on Capitoline Hill, saw the monument to Italy's 1st king

in Rome and climbed to the top. They were built in 1725.

We toured the Vatican, went into St. Peter's Basilica and had lunch in the square. The pope lives here.

when we ch. Mussolini ng the WWII it is full of m the firing

We toured Barcelona by electric bike FW!

MMY!

of art he people

Our hike is over we relaxed on the beach at Monterossa.

We changed trains in Genoa so went and ate lunch in the Piazza de la Victoria, this is a war monument that we sat near

Getting tickets for the Cinque Terre hike It was incredible

We took the train to the ruins of Pompeii. It was buried in ash when Mount Vesuvius exploded in 79ad. It was rediscovered in 1748

Mount Vesuvius

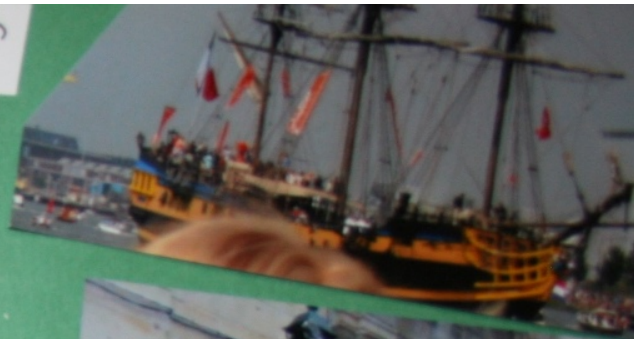

This dog was in ash when Vesuvius erupted.

On the beach  
in Barcelona

This is the Basílica Sagrada Família. A man named Gaudi designed it. It was started in 1882 + will be completed in 2026. It is unbelievable!

We were on a walking tour when we saw the wall of this church. Mussolini lined up rebel soldiers during the WWII conflict + shot them. The wall is full of marks from the bullets from the firing squads.

YUMMY!

We toured B

The next town we visited was Perpignan, it has walls all around the old part this is the main gate to go into that part of town

I am in front of a piece of art by Pablo Picasso given to the people of Barcelona

YUMMY!

We toured Barcelona by electric bike FUN!

Our hike is over we relaxed on the beach at Monterossa

This was the castle in Perpignan, we got to walk all through it. It was really neat.

After Genoa we travelled by train to Marseille, France. On our bus tour we went to the Notre Dame de la Guerre cathedral, that's it in the background. There are bullet holes in the walls from the Second World War

I am sitting on a cactus just above the town of Vernazza on the 1st part of the hike We climbed to the top of the tower you see in the town

Our view as we hiked the Blue Trail! Beautiful

This tank sits just down the hill from the church in memory of the French soldiers who fought to free France from the German army

I am sitting on a cactus just above the town of Vernazza on the 1st part of the hike. We climbed to the top of the tower you see in the town.

Our view as we hiked the Blue Trail! Beautiful

We took the bus to Porto Venere to go for a swim and saw 2 weddings

This is the Grand Canal in Venice

It was really nice in Venice, there are over 100 canals

at Corniglia

Here I am on the train waiting to go to Cinque Terre

We went to Pisa after Florence. The Leaning Tower was very beautiful at night. Mrs. Bigas was silly.

We met Pinocchio

This is the Piazza San Marco the main square in Venice. I am in front of St Mark's Church

After we left Venice we stopped saw the Ponte Vecchio Old Bridge. The bridge has shops all across it. Was the only bridge in Florence

The Duomo is Florence's cathedral built in the 13th century
